

## 9 New ICC Trainers

Earlier this year we asked you for your nominations for ICC trainers and in July we had an ICC trainers training in Majorca.

We are very pleased to say that there are now nine new ICC trainers.

This means a greater reach for the ICC, more credibility for everyone and greater chances to network and work with trainers from other countries.

It will enrich our group and make us stronger on the world stage.

### The new trainers are:

- Angela neighbours and Rachel Ford from New Zealand.
- Anneli Hermanstad from Norway,
- Katuyoshi Wakamoto and Yukinobu Yasui from Japan.
- Carita Juselius works with Patric in Sweden and will be the ICC trainer for Finland.
- Carlos Alonso is Norma's husband and will help her in Mexico.
- Ludmila Frolova works mostly in Denmark, and will be the ICC trainer for Russia.
- Fernando Gil is the trainer for Peru.
